NETWORKING UPDATE

Networking events provide a laid back atmosphere to interact with people in your profession, and help your career grow with potential opportunities

While we aren't able to start our trainings sooner, we can spice things up a bit with an optional ½ hour networking opportunity before our 2-hour classes! Swing in to any area training this fall from 6:30-7pm for a sweet treat & to network with other providers before your training begins! Hope to see you there!

? GOOD QUESTION

Q: Can the 2-hour SCLFCCA sponsored trainings start at 6:30pm instead of 7:00pm?

A: There are a few reasons we have opted to keep the training start time at 7pm:

- There are several providers who work until 6pm.
- Some trainers & attendees travel from a distance & we need to allow for their commute time.
- Michelle Herzog, our Training Coordinator, needs time to set-up the space for a successful event.

BI-ANNUAL WEBPAGE UPDATE

Our bi-annual update of the SCLFCCA provider pages will take place in July or August.

Your website representative may be contacting you in regards to making updates to your page. Every effort is made to make the SCLFCCA website is a reliable resource for parents searching for family child care. **You can help by responding quickly with any updates you may have.** This saves us time and allows us to be efficient in this effort!
