

New Prague Community Ed.

Course title: C.A.R.S.

(Children and Restraint Systems)

Course description: Information presented in this class is geared toward child care and foster care providers, law enforcement officers and new parents. With new curriculum launched by the Minnesota Office of Traffic

Safety, participants will be able to list five types of child restraint systems; select an appropriate restraint for a child; identify two child passenger safety resources and recognize a correctly installed child restraint system. The class will also review how to identify misuse of child restraints and have interactive stations to reinforce this information. Class size is limited to 20 participants.

Classes are held from 6 to 9 p.m. on the third Tuesday of each month at State Bank of New Prague, 1101 1st St SE, New Prague. Class fee is \$30, payable to the New Prague Community Ed. To register for the class, please email the trainer, Diane Hrabe, at hrabe@bevcomm.net.
